

EHS36

Wireless headset adaptor

Compatible with Jabra, Plantronics and Sennheiser headsets

Control the phone through your wireless headset

Plug and play

Easy to use

Talk and receive calls everywhere

The new and advanced Yealink Headset Adapter EHS36 provides the technical interface between your Yealink SIP-T48GN/T46GN/T42GN/T41PN/T38GN/T28PN/T26PN telephone and a compatible wireless headset. It is approved for use with major headset manufacturers.

The unit is easy to install, simply link the EHS36 to the EXT port of the phone or EHS port for the T41PN/T42GN and, effectively `plug and play' giving you control of your Yealink phone and the ability to answer and hang up calls remotely. It has been especially designed to ensure maximum productivity in business applications such as receptions, call centres and general telephone use and is ideal for the Corporate, Financial, Health, Government, Educational, Industrial, and SME/SoHo market sectors.
